## Election results upload test

Please help test our system by uploading your test results on Nov. 1, at 11 a.m. Display of test results will be found [here](#).

## Agency Based registration report

The Agency Based registration report for [September](#) has been added to the Agency Based section of our website.

## Voter registration reminder

Before forwarding voter registration documents to other counties, make sure a postmark date or date stamp appears on the documents. This is especially critical before elections to determine if the document was submitted before the cutoff date.

## K-12 Mock Election

Students in grades K-12 are invited to vote in the online [Mock Election](#) Oct. 28 – Nov. 1. This year, students will weigh in on statewide Initiatives 517 and 522, and Seattle students will choose their favorite mayoral candidate. Help educate the next generation of voters and ask your local schools to participate in the Mock Election!
